D	Insignificant/detrimental	good	fair	poor	bad

Notable features:

This is a terrace of later 1840's to early 1850's which may have replaced the two story building reported in the 1839 tax rolls. Segmental arches indicate a slightly later date. Modern addition at rear of 1000 W. Lombard is detrimental to Schroeder Street facade. Number 58 has been formstoned.

Environmental context:

Wide street needs large street trees; McHenry School is diagonally across-street.
